

# La Roca

Dear La Roca Family,

As we celebrate Valentine's Day, we want to let you know how much we appreciate our loyal members! We love our La Roca family! You are the heart of our club and what makes La Roca special.

We have a new member of our administrative staff: Maria Ignacia Carrasco. Maria is the new Collections and Payments Manager, and is taking over for Celeste Anderson. If you have an issue with your payment, please contact Maria. (She speaks Spanish!) If you are delinquent on your payments, she will be contacting you. She can be reached at 385-299-9763 or [maria.ignacia@larocafc.com](mailto:maria.ignacia@larocafc.com). Welcome to the club, Maria!

## COVID Reminder: Stay home if unwell

It's been almost a year since COVID invaded all of our lives, and most of us have become a little lax in our observation of the local health guidelines. As you know, the spread of COVID is much higher within families, friends groups, and teams. For that reason, we remind you to please ask your child how they're feeling before heading to practice or a game. If they are feeling at all unwell, even if they don't seem to have any

of the typical COVID symptoms, please keep them home. Their coach and teammates will understand. And remember that everyone must wear a mask when they arrive at practice or a game and put it on again when they leave (spectators must keep a mask on at all times), *regardless of whether they've already had COVID*. Please do your part to slow the spread of COVID.

## Spring Season begins March 20, 2021

Spring is right around the corner, which means we'll soon be back outside and on the pitch! UYSA is expected to release the Spring Season schedule by March 1. Watch for an update on our social media pages once the schedule is published.

## Save the Dates

Players born in 2012, 2013, 2014, or 2015 will try out the week of May 24, 2021. Players born in 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, or 2011 will try out the week of June 1, 2021. Each age group will have two try out sessions, and players are expected to attend both sessions. On-line registration is required and will open on April 1. Stay tuned for more details about times and locations. More details will be posted on [larocafc.com](http://larocafc.com) and our social media pages.

La Roca Juniors is a  
great place to start!

The La Roca Juniors Program introduces 4-9 year old boys and girls to soccer. La Roca Juniors is committed to ensuring players develop proper skills as well as learn the value of teamwork and sportsmanship, in a fun environment. Currently, there are two La Roca Juniors programs -- La Roca Juniors Recreation, based in Layton, and La Roca South Junior Academy, based in Alpine. Both programs are currently accepting new players for the spring season. For more information, [visit our website.](#)

## Good Luck and Safe Travels

Many of our teams are traveling to tournaments this month. We wish them safe travels and good luck in their games! Send updates and photos to [socialmedia@larocafc.com](mailto:socialmedia@larocafc.com) so we can give teams a shout out on our social media pages.

## PUMA King Newsletter and Players of the Month

Check out the December PUMA King Newsletter and learn more about Kevin Lomeli and Chloe Horton, two La Roca FC South players who were named PUMA Players of the Month. Congratulations, Kevin and Chloe!

## UYSA Introduces Esports Gaming Club

Utah Youth Soccer Association has partnered with Global Digital Sports (GDS) to bring youth gaming enthusiasts in the State a safe and fun way to engage in online gaming competitions, leagues, tournaments and free play. GDS makes available a video gaming platform that is designed to mirror the current processes and functions of the state youth sport association with an emphasis on risk management. The platform is designed by GDS and developed and supported by GYO Score and provides a complete digital gaming environment that includes registration integrity and numerous other safeguards that can and will support many video games. Based out of Indiana, the goal of GDS and GYO is to ensure that children of appropriate age and all backgrounds have access to safe digital space where they can play with

their peers in a fun and safe way.
