

How to Register for La Roca Tryouts

1. Go to the tryout registration website for your region.
2. Click on the appropriate session based on your child's gender and age, then scroll to the end of the list and click on the *Register* button on the bottom of the page.
3. You will now be in the Utah Youth Soccer Registration system. If your child has not previously played soccer for a UYSA team, you will need to create a new account (click *Create New Account* button). Otherwise, if you have a UYSA account, log in using your username and password and hit the green *Login* button.
4. Review the list of Family Members associated with your UYSA account. To add a new player, use the *Add New Player* button and input the required information. Once the child that you need to register for tryouts is listed as a Family Member, click on the green *Continue* button.
5. Click on the blue *Register* button next to the family member's name that you want to register.
6. A popup box will appear. The event session you have already selected should appear. Check the box next to it.
7. Another popup box will appear with the player's personal information and contact information. Please correct any information that is not updated.
8. Complete the Event Additional Information (Current La Roca Player, T-Shirt Size, and optional ECNL interest), and click the green *Save* button.
9. Once the popup page closes and you return to the Register Event page, click on the green *Continue* button near the bottom of the page, unless you want to register additional family members, which requires clicking on the orange *Back* button and repeating steps 4-8.
10. Accept the two ELA consents by clicking the boxes above "I Accept" on the left side, then click on the green *Agree & Continue* button.
11. The Make Payment page appears next. If you have a Promo Code, click the *Add Promo Code Discount* box to enter the code. (After entering the code, click *Enter to verify*. Then click *Add this discount to your order*. A red "Discount is added" message will appear. Then click *Close & Refresh Order/Payment Page* button.) Click the green, *No payment due, Continue* button.
12. If you do not have a promo code or discount, select the desired Payment Method from the drop-down menu, click the *Continue* button, then enter the requested payment information. Click the *Continue* button.
13. When all the steps are complete, you will see a "Congratulations, registration is now complete!" page where you can print the receipt for your records if desired. (A receipt is not necessary to check in at tryouts.)
14. An email will be sent to confirm the completed registration.
