

Dear La Roca Families,

Welcome to the 2021-22 soccer year! If you are new to our club, we hope you and your player(s) are feeling right at home on your new team! And if you are a returning family, thank you for your loyalty to La Roca Futbol Club! With the pandemic now behind us, we look forward to a year of great competition for all our teams and continued growth and development for our players.

Each month, we send an email to our La Roca families to keep you up to date about our successes, events, programs, policies, and anything else that we feel our members should know. More time-sensitive information will be communicated via our new tool, Ollie Sports. More information about this new app is below. We also use social media and our website to publish club news, so please bookmark our website, <https://larocaafc.com>, and follow us on social media. If you don't already follow La Roca Futbol Club on Facebook, Instagram or Twitter, click on the icons below to start following us.

An administrative directory is provided at the end of this email so you know who to contact if you have questions.
