

Dear La Roca Families,

We are still celebrating the historic outcome of the USYS National Championships when the 2005 La Roca FC girls team coached by Pancho Ovalle won its final match to claim the title of NATIONAL CHAMPIONS! This is the first team in La Roca's 16 year history to bring home the National Championship trophy! And though the outcome of the 2006 girls final match didn't favor the La Roca team coached by Felipe Diaz, the fact that 2 teams made it to the National Championships Finals is such an accomplishment for our club! We are proud of all four teams that represented La Roca FC at Nationals this year in Bradenton-Sarasota, Florida. The 2 girls teams were joined by 2 La Roca boys teams, neither of which advanced to playoffs: Danny Acosta's 2006 team and Jose Milla's 2007 team. The players, coaches, and team managers on each of these teams epitomize everything that makes La Roca FC so special! Thank you, also, to the parents who traveled to Florida to support these teams!

You know summer is winding down when the UYSA Fall Season Schedule is released, which is expected to be posted on the UYSA website by August 8:

2021-22 BY THE NUMBERS

Have you ever wondered how many teams and players are part of the La Roca family? Here are the latest counts by region for the 2021-22 soccer year.

STATS TRAINING USING OLLIE SPORTS

Ollie is offering an in-depth stats training via Zoom on **Wednesday, August 4, at 8:30 p.m.** for anyone who wants to learn how to take stats during a game. Ideally, a team should have 2-3 parents who are trained at taking stats so the team can get accurate and meaningful data every game.

To join the training session, use the following link:

UNIFORM UPDATE

The La Roca FC Uniform Fulfillment Team has been working tirelessly to process uniform orders; however, many COVID-related delays in the PUMA supply chain have resulted in fulfillment delays on our end. Thank you for your patience and please know that we are printing and decorating uniform pieces as soon as we receive them, but all uniform items are currently still on backorder with PUMA. We are expecting large inventory shipments from Puma the weeks of August 7 and August 14, and hope to be able to get caught up on a lot of the uniform orders then. We are expecting a shipment of the soccer balls that are included in this year's kit this week and will be distributing them to Team Managers to pass out to players who purchased the uniform kit.

As a reminder, the warmup jacket and backpack always arrive together in a separate shipment. These items are sent to another warehouse for embroidery, and they can only send one batch at a time. They are currently on embroidery batch 6 of 13, so if you haven't received those two items, know that they should be coming soon!

If you have questions about uniforms, please check out the Uniform FAQs on our website: <https://larocafc.com/uniform-faqs/>, or email uniforms@larocafc.com if you can't find answers online.
