

## OPENING A TEAM BANK ACCOUNT

All La Roca teams are required to have a bank account at Zions First National Bank. When a new team manager takes over a team, the names of the account holders must be changed to reflect the current team manager and either the coach or the team's financial manager.

To open an account or be added to an existing account you must fill out Zions, new signer profile information form, completely and send it to Xochil Arellano at [xochil.arellano@zionsbank.com](mailto:xochil.arellano@zionsbank.com). After Xochil receives your form, she will contact you and help you through the remaining process. Please reach out to Heidi Wheelwright at [Heidi.wheelwright@larocafc.com](mailto:Heidi.wheelwright@larocafc.com) if you have any questions.

You can find the form here:
