

Collection Process & Policies

La Roca FC prides itself on sharing all fee information, and, accordingly, player fees for 2023-2024 are detailed for each region using the links below.

Please note that the total cost displayed *does not include team fees*, which will vary depending on the cost of tournaments, coach travel, winter leagues, etc. Any players that participate in a High School Provisional team will also incur additional fees for fields, refs, and UYSA registration for that additional season of play.

You will also notice that the cost of a uniform is also separate. La Roca teams purchase new uniforms every other year, and 2023-24 is a uniform cycle year. All players will be purchasing uniforms this year (with the exception of a few teams that are on the off-year for new uniforms).

It is important that parents understand that when a player is placed on a La Roca team, that player is making a ONE YEAR COMMITMENT to that team, which includes paying fees for the entire year. All parents must sign a La Roca financial agreement at time of registration stating that they understand the financial obligation they are making to La Roca FC and that they will make all required payments. A player who is delinquent on fees has 30 days from the date the payment was submitted to pay or come up with a financial agreement otherwise they will be removed from the team roster, and will not be allowed to play until they are current on their payments. *Once payment is made, it may take up to 48 hours for roster reinstatement.* An additional thirty dollar late fee will be added to the account for each declined payment. If a player consistently fails to meet their fee obligations by the payment due date, La Roca reserves the right to either remove them from the roster or implement any necessary adjustments in the best interest of our club.

Player fees can either be paid in full or through a payment plan of 2-10 payments. The registration deadline is June 18, 2023. Affinity charges processing fees for credit card payments (3.1%) or e-check payments (\$5 per transaction), which will be applied to the payment.

La Roca has added a more detailed refund policy in the event of future natural disasters, including COVID-19. The new refund policy states:

1. If in-person training sessions stop due to a natural disaster or restrictions imposed by the government, the Club will refund 25% of the training fees that have been paid for every month that in-person trainings are canceled.
2. If league play is suspended for any reason, a portion of the field and referee fees that you have paid and that have been refunded to the Club will be refunded to you in proportion to the amount of the season that has been suspended.

The La Roca FC Difference

Fee Breakdown:

La Roca Club Fee: La Roca FC is fully operational in 5 areas of Utah (Davis/Weber, SLC, Utah County, Spanish Fork and St George). This club fee includes compensation for Directors of Coaching, administrators, registrars, and goalkeeper trainers. Through this fee we offer continued coaching education and team equipment. The club fee also includes misc items such as: insurance, Worker's Compensation, payroll processing fees, bank fees, credit card service fees, events, tryouts, marketing, office supplies and other related expenses.

UYSA Required Fees (for all clubs)

- Registration and League Fees are paid to Utah Youth Soccer Association and include the cost of player insurance and league administration.
- Legacy Field Fee is collected by UYSA for the development of new fields in all regions.

Region 2 Fee (for all clubs in Region 2)

- Region Fee covers services provided by Region 2, including referee assigning and training.

Continuous Year-Round Training Provided

- Indoor Training: La Roca FC uses top-notch indoor training facilities such as La Roca Park, Zions Bank Real Academy and the La Roca Pleasant Grove Training Center. This cost is applied to every La Roca North, Salt Lake and Utah County player.
- Outdoor Training: La Roca FC provides access to secured outdoor fields for all areas which include: La Roca Park, Utah County Complex and various schools and parks throughout the year.

Field Fee: La Roca FC secures the Regional Athletic Center (RAC), the Utah County Complex, and various county, city and school fields for all league games.

Ref Fee covers the cost of paying league game referees.

Training Fee: La Roca FC has the most A, B & C licensed coaches in the state with access to our customized curriculum and methodology. This fee is the compensation for your coach with related payroll taxes included. The training fees will increase with age and level of play, as coaches spend more time training older teams and/or premier teams.
