

Financial Policies & Fee Information

Annual Commitment and Financial Responsibility

La Roca FC is committed to providing transparency regarding all player fees and financial obligations. Detailed fee information for each region is available through the club's registration materials and website.

When a player accepts a roster position with La Roca FC, the player and family are making a one-year commitment to the team and club. This commitment includes responsibility for all club fees, team fees, and related expenses for the seasonal year. Acceptance of a roster position reserves a place on a team and allows the club to make staffing, field, league, and operational commitments on the player's behalf. As a result, financial obligations remain in effect for the seasonal year unless otherwise approved in writing by La Roca FC.

All parents or guardians must sign the La Roca FC Financial Agreement at the time of registration, acknowledging their understanding of and responsibility for the financial commitment associated with participation in the club.

Club Fees and Team Fees

The fees listed during registration cover club and league-related expenses but do not include team fees. Team fees vary by team and may include, but are not limited to:

- Tournament entry fees
- Coach travel expenses
- Winter leagues
- Additional team activities and events

Players participating on a High School Provisional Team may incur additional fees related to field rentals, referee costs, and UYSA registration for the additional season of play.

Uniform costs are separate from registration fees. La Roca FC teams purchase new uniforms every other year. The 2025–2027 season begins a new uniform cycle, and players will be required to purchase uniforms following team placement unless otherwise notified.

Payment Options and Registration

Club fees may be paid in full or through an approved payment plan consisting of 2–11 installments.

The registration deadline is June 15, 2026.

Processing fees charged by the registration platform will apply to all payments:

- Credit Card Payments: 4% + \$0.90 processing fee
- E-Check Payments: \$5.00 per transaction

Delinquent Accounts and Late Fees

Families are expected to remain current on all scheduled payments.

Any declined or returned payment that remains unresolved for five (5) days will incur a \$30.00 late fee.

Players with delinquent accounts will have 30 days from the date of the missed payment to either:

1. Bring the account current, or
2. Establish an approved payment arrangement with the club.

Failure to do so may result in removal from the team roster and suspension from all training sessions, games, and club activities until the account is brought current.

Once payment obligations have been satisfied, roster reinstatement may take up to 48 hours.

La Roca FC reserves the right to remove a player from a roster or implement other appropriate measures if payment obligations are repeatedly not met.

Refund Policy

In the event that in-person training sessions are suspended due to a natural disaster, public health emergency, government restrictions, or similar circumstances, the following refund policy will apply:

- The club will refund 25% of training fees paid for each month in which in-person training sessions are canceled.
- If league play is suspended, any field or referee fees refunded to the club will be refunded to families proportionally based on the amount of the season affected.

Injury Policy and Training Fee Suspension

La Roca FC recognizes that injuries may occasionally prevent a player from participating in soccer activities. In certain circumstances, training fees may be temporarily suspended.

To qualify for a suspension of training fees, all of the following requirements must be met:

1. The player must be evaluated by a licensed medical professional, including a physician, physical therapist, or certified athletic trainer.
2. The player's coach and the La Roca FC office must be notified of the injury.
3. The family must provide the club with official documentation signed by the medical professional indicating the nature of the injury and the estimated period during which the player will be unable to participate.
4. The player must be medically restricted from participation for a minimum of twelve (12) consecutive weeks.

If approved, training fees will be suspended beginning the month following the injury. For example, if a player is injured in August and is unable to participate for at least twelve (12) weeks, training fees would be suspended for September and October.

Training fees are only suspended during the medically documented recovery period and do not affect other club, league, team, or administrative fees that may already have been incurred.

Before returning to participation, the player must provide written medical clearance from a licensed medical professional to the La Roca FC office.

Training fee payments will resume once the player has been medically cleared and returns to participation.

Volunteer Commitment Program

To strengthen and support the La Roca FC community, each family is required to complete fifteen (15) volunteer hours between June 1 and January 1 of each seasonal year.

A \$100 Volunteer Deposit will be collected at registration.

Volunteer Deposit Refund

The full \$100 deposit will be refunded once the family has completed and verified fifteen (15) volunteer hours.

Families who do not fulfill the required volunteer commitment by January 1 will forfeit the deposit.

Purpose of the Volunteer Program

La Roca FC relies on the dedication and involvement of its families. Volunteers play an essential role in supporting tournaments, games, club events, administrative functions, and team activities. This program is designed to encourage participation and strengthen our club community while helping provide the best possible experience for all players and families.

Volunteer Hour Verification

To receive a refund of the volunteer deposit:

1. Complete the volunteer requirement.
2. Submit the designated volunteer verification form prior to January 1.
3. Include accurate records of hours served and the name of the supervising event or team representative, when applicable.

Form:

<https://docs.google.com/forms/d/e/1FAIpQLScr8rCIXHdJysRFX9w87qHWFA0UzIWtQhWKTlHyEkeEU-TGg/viewform>

Once volunteer hours have been verified, the refund will be processed through Ollie.

Thank you for being an important part of the La Roca FC community. Together, we continue building a strong and successful club experience for all players and families.
