La Roca Futbol Club | La Roca Park

Facility Participant Agreement

2026–27 | Adult release and parental consent

READ CAREFULLY BEFORE SIGNING. This agreement includes an adult release of claims for ordinary negligence. Complete one agreement for each participant before participation. A parent or legal guardian must complete the minor section for a participant under age 18. Keep both pages together.

1 Activities and covered parties

In consideration of permission to participate, this agreement applies to my participation, or my minor child's participation, in La Roca games, practices, training, camps, clinics, and authorized recreational activities at La Roca Park, La Roca South Training Center, and other facilities used by La Roca Futbol Club during the 2026–27 indoor season, beginning October 30, 2026, through the conclusion of that season. Covered activities include soccer, dodgeball, football, lacrosse, dances, and supervised overnight events when offered and authorized by La Roca. "Released Parties" means La Roca Futbol Club; the owners, lessors, and operators of the facility where the activity occurs; and their respective directors, officers, employees, coaches, agents, and volunteers acting in connection with the activity.

2 Risks and voluntary participation

Sports and facility activities involve risks, including collisions with people, balls, walls, goals, or equipment; falls on turf or other surfaces; overexertion; communicable illness; and delayed emergency assistance. Injuries may include sprains, fractures, concussion, other brain injury, permanent disability, paralysis, or death. Property loss or damage may also occur. Risks may arise from my actions, other participants, facility conditions, or ordinary negligence. I understand that not all risks can be predicted or eliminated. I voluntarily choose to participate, or permit my child to participate, with knowledge of these risks and accept the inherent risks to the extent permitted by Utah law. This paragraph does not waive a minor's legal claims.

3 Safety and emergency care

I will follow facility rules and staff directions, use required protective equipment, report unsafe conditions, and stop participating if I believe participation is unsafe. I will not participate, or permit my child to participate, when illness, injury, or a medical restriction makes participation unsafe. I will seek medical advice when needed. If I or my child needs emergency assistance, I authorize staff to call emergency services and, for my child, arrange emergency care when I cannot be reached, subject to applicable law. I understand that qualified medical providers decide what treatment is appropriate. I remain responsible for medical expenses as provided by law. This consent does not release any provider from liability.

4 Release by adult participants only

IF I AM AGE 18 OR OLDER AND SIGN AS AN ADULT PARTICIPANT, I RELEASE THE RELEASED PARTIES FROM MY CLAIMS FOR PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE ARISING FROM MY PARTICIPATION OR RELATED FACILITY USE, INCLUDING CLAIMS CAUSED IN WHOLE OR IN PART BY A RELEASED PARTY'S OWN ORDINARY NEGLIGENCE, TO THE FULLEST EXTENT PERMITTED BY UTAH LAW. This includes ordinary negligence in facility maintenance, equipment, instruction, supervision, or arranging emergency assistance. I agree not to sue for claims validly released by this paragraph. This release does not cover gross negligence, reckless or intentional misconduct, or any claim that cannot lawfully be waived. It does not release any minor's claims.

Consent and Signatures

5 Parent or legal guardian consent for a minor

I am the participant's parent or legal guardian and have authority to consent to participation. I have read the activities, risks, and safety provisions on page 1 and discussed them with my child in an age-appropriate way. I consent to my child's participation and the emergency arrangements in paragraph 3. I understand that this agreement does not waive my child's future negligence claims, require me to indemnify the Released Parties for those claims, or require my child to give up rights that Utah law protects. My signature in the minor section is parental consent and acknowledgment of risk; it is not an adult participant release under paragraph 4.

6 Governing law and separate provisions

Utah law governs this agreement. If any provision is unenforceable, the remaining lawful provisions remain effective to the extent they can operate independently. No provision authorizes conduct prohibited by law. This agreement applies only to the identified participant and stated season. A participant who turns 18 must sign the adult release before further participation.

7 Acknowledgment before signing

I have read both pages, understand the provisions applicable to me, and have had an opportunity to ask questions. I sign voluntarily. If signing as an adult participant, I understand that I am giving up substantial legal rights, including certain claims for the Released Parties' ordinary negligence. A coach or team manager may not sign for another adult or for a minor unless that person is the minor's parent or legal guardian.

Participant information

Participant full name _____ Date of birth _____

Team or activity _____

Address _____

Email _____ Phone _____

Emergency contact _____ Relationship _____

Emergency contact phone _____

A Adult participant age 18 or older

I agree to the adult release in paragraph 4 and the other terms applicable to me.

Signature _____ Date _____

B Parent or legal guardian for a participant under 18

I consent under paragraph 5 and acknowledge the other terms applicable to my child and me.

Parent or guardian name _____ Relationship _____

Signature _____ Date _____
